Quiz Rules

- 4 Rounds
- In case of Tie – Tie breaker round.

Round1: General Round

- Each team - quota of 4 questions.
- In this round each team has its own quota of 4 questions and other questions passed to it from the previous team that did not answer.
- A team gets 30 seconds to answer the question intended for it, and is awarded 20 points for answering it.
- If the team passes the question or gives a wrong answer, the next team/s get 15 seconds to answer it and is awarded 10 points for the right answer.
- The team members can discuss before giving the answer.
- If a team cannot answer a question they can pass it or after 30 seconds it gets automatically passed to the next team.
- If a team is answering a question and the time passes, then the team gets to complete the answer and is awarded points for the right answer.
- There is no negative marking for wrong answer.
- No buzzer is used in this round.

Round 2: Audio-visual round

- Each Team will be shown a picture.
- The team has to answer the questions that follow. The team gets 30 seconds to answer.
- Team gets 20 points for right answers (20+20).
- Questions will not be passed to the next team.
- No negative points for wrong answers.

Round 3: Rapid Fire round

- Each team gets quota of 10 questions, asked one after another.
- Each team gets 120 secs.
- On the immediate completion of a question, each team gets 5 seconds to answer it.
- If a team is not able to answer a question, they can pass it for the next question.
- Questions will not be passed to next team.
- Each correct answer gets 10 points.
- No negative points for the wrong answer.
- Once a question is passed the team cannot give an answer later.
- No buzzer is used in this round.

Round 4: Buzzer Round

- Ten questions in all.
- 10 questions will be fired at all teams together.
- The teams can discuss among themselves and then press the buzzer to answer the question first. No discussion is allowed after pressing the buzzer.
- The team that presses the buzzer first gets a chance to answer it.

- 20 points for the correct answer and minus 10 points for the wrong answer.
- If a team doesn't answer or gives a wrong answer after they press buzzer they also lose 10 points.
- If a team presses the buzzer before the question is over they will be asked to answer it without the question being completed.
- The question has to be answered in 20 seconds.
- If a question is not answered by the first team who pressed the buzzer, the team that pressed the buzzer next gets to answer.
- If two teams press the buzzer together there will be a toss of coin to decide who gets the chance to answer it. If the first team answers it correctly they get 20 points.
- If they give a wrong answer they lose 10 points and the next team that pressed the buzzer gets to answer.
- If none of the teams press the buzzer the question will be passed to audience.

Round 5: Tie breaker

- In case of a tie after the 4th round, the tied teams get into a buzzer round.
- Rules are similar to buzzer round.
- If a team answers right they get 30 points. If they answer wrong they get minus 30 points.
